

DAKOSY

The background of the slide is a dark blue gradient. It features two large, glowing, wireframe spheres. The sphere on the left is composed of red and orange lines, while the sphere on the right is composed of blue and teal lines. Both spheres are made of interconnected triangles, creating a mesh-like structure. Scattered throughout the background are numerous small, out-of-focus circles of light in various colors, including red, orange, yellow, and blue, creating a bokeh effect. A bright, glowing line of light connects the two spheres, curving upwards from the bottom left towards the top right.

New login in IMP-Direct (SSO)

Webinar on 18. April 2024

Webinar: New login in IMP-Direct (SSO) – Agenda

01	KRITIS
02	Two-step login with email address
03	Changes in the user administration
04	Basic information
05	Schedule
06	Questions

Background information on the changeover

- BSI evaluates IMP as part of a critical infrastructure
- Operators of critical infrastructures must fulfil minimum requirements for protection
- With effects on
 - Technical infrastructure
 - Software development process
 - Actuality of tools and libraries
 - Safety requirements

- Periodic system updates, partly with interruptions:
Wednesdays between 06:00 - 06:15 a.m.
- (Update of all surface components)
- (Changeover to keycloak)
- Two-stage login
- Password rules
- DAKOSY-wide SSO, Single Sign-on (rolled out successively, please note announcements per application)
- User administration

The image shows the login interface of the IMP (Import Management Platform). The background is a photograph of a port with large cranes and shipping containers under a cloudy sky. The IMP logo, consisting of the letters 'IMP' in red and blue with a ship icon, and the text 'IMPORT MANAGEMENT PLATFORM' are at the top. A dark grey login box is centered on the screen. Inside this box, the text 'Sign in to your account' is displayed. Below it, there are two input fields: 'Email' with the value 'angela.smith@testcompany.com' and 'Password' with masked characters. To the right of the password field, there are links for 'Correct participant code' and 'Forgot Password?'. At the bottom of the login box is a blue 'Sign In' button. In the top right corner of the login box, there is a language selector showing 'English' with a dropdown arrow.

DAKOSY

The background of the slide is a dark blue gradient. It features a large, glowing wireframe sphere on the right side, composed of thin white lines forming a triangular mesh. To the left of the sphere, there are soft, out-of-focus clouds in shades of light blue and pink. Scattered throughout the scene are numerous small, colorful bokeh lights in red, yellow, green, and blue, giving it a digital or cosmic feel.
